

OM SEATING strives to design and produce seating with the environment in mind. To the best of our knowledge, all of OM Seating’s products are produced with no intentional use of PVC (other than customer selected upholstery materials), Per- and Poly-Fluorinated Compounds, Antimicrobials, Flame Retardants, Formaldehyde and/or other VOCs; which helps to meet the requirements in the Health Care without Harm’s criteria, as credit 7.4.4 Targeted Chemical Elimination from ANSI/BIFMA e3-2019 Furniture Sustainability Standard. All products are also GREENGUARD® Gold certified as well as BIFMA LEVEL® 2 certified.
