*Notes & Special Considerations:

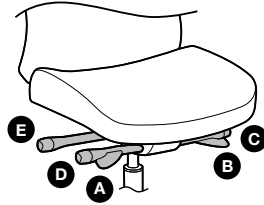

- Truly. is uniquely designed with a backrest that bends & flexes considerably. Great for your back and lumbar support. Not as great for upholstery with stiffer or relatively thicker construction.
- Besides OM's pre-approved Truly. Jacket & Wrap options (as noted above) other material may be eligible. Application testing required with a fee. Check with OM for details.
- For Truly. back upholstery Jackets & Wraps – especially with OM in-stock leathers – natural folds, wrinkles, and gather will occur depending on the material chosen. OM will not warrant natural signs of use/wear.
